Assistance to States for curbing the illicit traffic in small arms and collecting them

The General Assembly,

Recalling its resolutions 46/36 H of 6 December 1991, 47/52 G and 47/52 J of 9 December 1992, 48/75 H and 48/75 J of 16 December 1993 and 49/75 G of 15 December 1994,

Considering that the circulation of massive quantities of small arms throughout the world impedes development and is a source of increased insecurity,

Considering also that the illicit international transfer of small arms and their accumulation in many countries constitute a threat to the populations and to national and regional security and are a factor contributing to the destabilization of States,

Basing itself on the statement of the Secretary-General relating to the request of Mali concerning United Nations assistance for the collection of small arms,

Gravely concerned at the extent of the insecurity and banditry linked to the illicit circulation of small arms in Mali and the other affected States of the Sahelo-Saharan subregion,

95-35827 (E) 161195 161195 171195

Taking note of the first conclusions of the United Nations advisory missions sent to the affected countries of the subregion by the Secretary-General to study the best way of curbing the illicit circulation of small arms and ensuring their collection,

Taking note also of the interest shown by other States of the subregion in receiving the United Nations Advisory Mission,

Noting the actions taken and those recommended at the meetings of the States of the subregion held at Banjul, Algiers and Bamako to establish close regional cooperation with a view to strengthening security,

1. Welcomes the initiative taken by Mali concerning the question of the illicit circulation of small arms and their collection in the affected States of the Sahelo-Saharan subregion;

5. Invites Member States to implement national control measures in order to check the illicit circulation of small arms, in particular by curbing the illegal export of such arms;

6. Also invites the international community to give appropriate support to the efforts made by the affected countries to suppress the illicit circulation of small arms, which is likely to hamper their development;
